

GREGORY SWARTZ

EMPLOYEE OF THE YEAR

2016

Greg Swartz started working for Willow Run as a dry picker in January of 2009. His positive and upbeat attitude makes him a pleasure to work with. Greg comes to work and has fun every day. Not only does Greg have fun, he goes out of his way to brighten his coworker's day. At any given time, you can find Greg out in the dry aisles laughing and joking with other employees.

Greg's work habits are fantastic. He works hard to be one of the best dry selectors. He is always one of the first guys in and one of the last to leave every day. Greg makes very few errors and is usually a star picker every week. His attendance is perfect. I don't think he has ever missed a day. As a matter of fact, he usually volunteers to work a sixth day without being asked.

Greg is a valuable member of our team and I can't imagine what we would do without him. The Night Shipping Management team would like to honor Greg for the prestigious honor of **EMPLOYEE OF THE YEAR** because of all his hard work and dedication to Willow Run Foods.
