

ROGER CRUMB

EMPLOYEE OF THE YEAR

2015

It is with great pleasure that we nominate Roger Crumb as the Yard Employee of the year for 2015.

Roger Crumb has been with Willow Run Foods for 11 combined years. Roger started with Willow Run in March of 2004 as a delivery driver and in March of 2005 he transitioned to a delivery driver/yard jockey. This position gave the transportation department the ability to utilize a strong driver during the week on city runs while at the same time utilizing him to work overnights in the yard on weekends. Roger is very unique with his role at Willow Run Foods thanks to his versatility and willingness to do what it takes to make our company successful. Roger does at least 2 runs a week, route 243 Popeye's Brooklyn and route 484 Popeye's Brooklyn and sometimes will do a third route to help the transportation department when they are in need. Roger always has a great attitude and makes Willow Run Foods and his customers the priority; he averages 33,000 cases delivered and 12,500 miles driven per quarter.

During the weekends Roger now works days in the yard as a jockey making sure everything runs smoothly. In a position such as Roger's it is vital to be a team player. It doesn't matter if it's an extra run, covering a shift in the yard or just helping the team get it done, Roger has his hand up to help.

It is sometimes difficult for managers to pick out one specific employee when you have such a strong team. Roger's overall performance and great work ethic and dedication helped make this decision an easy one. For the outstanding work that Roger does, we are proud to honor him as "Employee of the Year".
