

DAVID SEVEY

EMPLOYEE OF THE YEAR 2018

This is the time of the year when we reflect back on the summer. It's truly amazing when you think about all of the accomplishments that are achieved by our entire Willow Run team. As a manager it is also time to narrow down our many choices and recognize someone for their outstanding effort. Who could I possibly choose to be this year's Employee of the Year? With so many great employees this is a difficult task. The first thing I think about is attendance. Who can I count on to be here every day and on time? If someone's attendance isn't good, it is difficult to rely on them. I also think about the effort that is given. Who gives 100% everyday even if they aren't 100% themselves? Then I think about how they are viewed by their coworkers. Are they respected? Do they get along with everyone? Are they a role model?

Well, after long consideration, I would like to recognize David Sevey. David is a Freezer Selector and has been an employee since the summer of 2012. I have no problem counting on David. His attendance is excellent. He also shows up to work early and he is willing to help cover shifts whenever he is asked. A perfect example is, several months ago I was finally able to give David a requested schedule change with a weekend day off. David realized that by doing so it created a void on Sundays. Well needless to say, David has come to work, even if only for a few hours, more Sundays than he has taken off.

David works hard every day. He is one of the top selectors in the entire warehouse. He is quick, accurate and an awesome pallet builder. He doesn't take shortcuts and always gives his best. David is well liked by his coworkers. He is quick to help them if needed and goes out of his way to make other people's job easier. David does what is asked without hesitation or complaint. He always does what is best for Willow Run first before he worries about how it will benefit him. He sets a great example for others to follow.

David is a pleasure to work with. His positive attitude and hard work makes my job easier and I am both proud and lucky to have him on my team. That is why I am awarding him Employee of the Year!
