

SCOTT WOOD

EMPLOYEE OF THE YEAR 2015

Scott Wood joined Willow Run Foods as a driver's helper in November of 2005. After working as a helper for a little more than a year Scott decided to join the driver training program and received his CDL in May of 2007.

Since the day Scott started driving at Willow Run Foods, he has proven what a valuable employee he is. Scott is professional, careful, positive and a pleasure to work with. He truly cares about presenting a professional image of Willow Run Foods to our customers.

Scott has three assigned runs, route 136, Five Guy's to Massachusetts, route 308, Five Guy's to New Jersey and route 664, Wendy's Hudson Valley. In addition, Scott has been doing an extra two driver team truck, route 570, every week for the last several months. His hard work is evidenced by the fact that he maintains a perfect on time rate while averaging over 45,000 cases a quarter. This is made all the more impressive when you consider that he had over 40 perfect trucks in the most recent quarter which translates into very few driver shorts, damages or not on trucks.

His professionalism and dedication comes in many forms, such as his courteous behavior towards his customers and fellow drivers. He rarely if ever receives a complaint from the stores that he delivers to. Scott's attendance is also exemplary and he always shows up in uniform and dispatches on time.

Scott is also very conscientious when it comes to his driving as he has been accident free during his entire Willow Run career which along with his dedication to his job are just a couple of reasons why he was made a driver trainer in January of this year.

We believe that Scott shows through his actions, on a regular basis, why he should be honored as Employee of the Year.
