

TAMMY SMITH

EMPLOYEE OF THE YEAR 2015

Tammy Smith began her career at Willow Run Foods in June of 2003. For the past several years she has served as my Administrative Assistant. In this position, Tammy has performed admirably since the beginning. She does everything I ask and is eager to take ownership of the many areas for which she has assumed responsibility. For me, she monitors my telephone calls, sets my schedule, arranges my travel plans and generally takes care of me to the extent that is possible. She performs without complaint and at a speed unmatched by mere mortals. In point of fact, Tammy does everything fast to which those who have seen her walk can readily attest.

In addition to her Administrative Assistant responsibilities, she also assists with many varied tasks for other Departments including but not limited to Purchasing, Human Resources, the Office and the Warehouse. Tammy is quick to help out with any new additional task for anyone who is looking for help. People have grown to understand that she will help virtually anyone in need of assistance.

One of Tammy's greatest assets is her unflinching loyalty to and support of Willow Run. She is a tremendous advocate of our company both in the office and out in the community. In short, Tammy possesses every characteristic one could want in a great colleague and richly deserves the honor of Willow Run Foods Employee of the Year for 2015.
