

SHAUN KACHMARIK

EMPLOYEE OF THE YEAR 2020

It is with great pleasure that we nominate Shaun Kachmarik for Employee of the Year for 2020. Shaun Kachmarik has over 10 years of service with Willow Run Foods and is currently a Cooler/Freezer Receiver for the Receiving Department. During his time here, Shaun has proven himself to be very dependable with an excellent attendance record. When a problem exists with product such as damage, temperature abuse, or incorrect product or quantity, Shaun will consistently catch it and report it to the appropriate people. Shaun is willing to do whatever is asked of him and goes above and beyond to perform each task efficiently and accurately. In addition, Shaun works every Saturday and is always available and willing to cover other days and shifts. Listed below are just some of Shaun's duties as a Cooler/Freezer Receiver:

- Unloading and receiving of backhaul product.
- Assisting with Sanitation projects.
- Assisting with temperature monitor downloads for inbound products.
- Assisting with all phases of the Saputo account including unloading, inspecting, putaway, picking and documentation.

I would also like to take a moment to tell you what Shaun means to me and the Shipping Department. Shaun goes out of his way to make sure everything he does is in Willow Run's best interest. Shortcuts are not in Shaun's vocabulary. Shaun takes into consideration that everything he does will affect other people. It really does not matter if it's only benefitting to the receiving department, he goes far out of his way to ease the burdens of everybody. Shaun's work, especially in the freezer, is accurate and efficient. Dave can tell you that I have told him on several occasions how lucky he and Willow Run are to have Shaun. Shaun truly loves his job and genuinely cares about this company and his coworkers. He is an excellent ambassador for Willow Run and it is both a pleasure and relief to work with him.

Shaun's work ethic and positive qualities have contributed significantly to the success of the operations in the Warehouse Department. Therefore, we would like to recognize Shaun Kachmarik's contributions by honoring him as employee of the year.
